151	J. Davies Cabernet Sauvignon Diamond Mountain District 2012 "95 Points - A beauty, with raspberry, blueberry and even blacker fruits, the wine has a lusciousness, with silky tannins and real charm. If Châteaux Margaux made wine on Diamond Mountain it might well taste like this beauty. This is first-growth all the way: beautiful purity, symmetry, harmony and an ethereal lightness in spite of the richness and intensity. This is quite an achievement and already drinkable, but should continue to evolve nicely for 10-15+ years." The Wine Advocate	99
152	Cyneth Meritage Sonoma County 2009 "93 Points - The 2009 Cenyth is a blend of 47% Cabernet Sauvignon, 28% Merlot, 10% Cabernet Franc and the rest Petit Verdot and Malbec that achieved 14% alcohol, and was aged in 100% French oak for 15 months. Many 2009s are in the process of shutting down slightly, especially wines made from Bordeaux varietals. This wine shows sweet tannin and a more open knit personality, no doubt due to the 28% Merlot and 10% Cabernet Franc in the blend. Its deep ruby/purple color is followed by notes of licorice, incense, forest floor, mulberries, black cherries and black currants. Pierre Seillan believes that using four separate Sonoma County terroirs balances the wine beautifully, with high tannins from the mountain top vineyards and softer, silkier tannins from lower elevation sites."
